PROPOSED, Dated: PROPOSED

(1)

An Introduction to Customers

The tariff located here in the company's office is available and open for your review. The company is responsible to maintain its tariff on an absolutely current basis and must, by State law and regulations, maintain it in exactly the same format as its company's tariff which is on file at the Board of Public Utilities Offices, Gateway Two, Newark, N.J., on the 9th floor in the Division of Water. If, after your review of this tariff and discussion with appropriate utility employees, you still have questions regarding clarification or interpretations, please contact the Board of Public Utilities, Division of Water, Bureau of Rates and Tariff Design at (973) 648-2275 or the Board's Bureau of Customer Assistance, if you have billing problems, at 1-800-624-0241 (toll free).

As a customer, you have the right to review this tariff at the company's offices or at the Board's offices in Newark. Your inquiries will be handled by the Board's Staff in an expeditious manner in order to protect your rights as well as those of the water purveyor. Please feel free to exercise this right by telephoning or by visiting the Board's Offices at any time between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday, or by writing a letter. The letter should contain the writer's name, address and phone number. If the writer is a customer of record the account number should be included.

The company has available here in its office and will provide for your review a handout entitled "An Overview of Common Customer Complaints and Customer Rights." This is a summary of the most frequent customer complaints and rights; it does not include all customer rights or utility obligations.

The Board of Public Utilities is responsible for the final interpretation and enforcement of a utility's tariff provisions and rates. The utility is bound by New Jersey's statutes and the Board's regulations. If a conflict should exist, the Board's regulations supercede the tariff provision absent approval to the contrary by the Board.
